Time seems to be flying by, Spring is here, Easter has come and gone, and we are looking at celebrating Memorial Day, Summer vacations, VBS, and Mission Trips. The most important thing is to “redeem” or make good use of the time we have especially in planning and follow up. If we do not plan, we plan to fail. Failure to follow up makes our planning ineffective or a waste of time. I read this week that we must be willing to take risks and that if we do not that is a greater risk.

In May we will be ministering at the Strawberry Festival again. We again need donations of water, but more urgently need volunteers to help with set up and take down and manning the tent. In recent years it has been mostly me, Sandra, and the administrative assistant. Please announce this in our churches and have persons interested call the associational office by April 14. We are considering being at the festival only on Saturday if we do not have volunteers.

I have talked with Alex Hanovich, the church planter in Philadelphia, PA from Lake Drive about a mission team from our churches going up there July 24-30 as Horizon Community Church begins. This church plant is sponsored by Lake Drive Church and our association. Please let us know if you would be interested in being part of the team by April 14 and announce it in your church.

In late September or early October, Mark Miller at TBC and I have planned a SS Training Event which will be hosted by Dayton, First Church. We have not been able to secure a SS Training Event in recent years because of the low attendance at the last one held here. Please plan to attend and announce this to your church and SS. More details will follow after Dayton, First Church schedules the date. I hope to see you and many from your churches at these events.

Remember to pray for our pastorless churches: Clear Creek, Mercy, Old Washington, and Saint Clair. We welcome Matt Campbell to our associational family as pastor at Central Church.

Mike Young, D. Min., Associational Director of Missions
